2015/3736/P	miss rosa tollemache	38 Ingham road	30/07/2015 11:30:12	OBJEMPER	I agree to the plans to make number 36 into a 4 bedroom house. But I do not understand the plans completely. I can not see if the owners plan to extend at the back of the house. If they are then I object to any rer extensions as I have just had my foundations re done at great expence.also I do not want my light to be compramized at the back of my house. Please can you send me more clear information about the plans for number 36 clearly stating if they plan to extend at the rear. Thank you
