Your comments

Dear Sirs

In recent years, all the properties adjacent to no.32 Priory Road have built extensions into the rear gardens.

The garden at 32 is now not very large and benefits from all the open space it has for rain drainage and growth of greenery (plants, trees)

I feel another outbuilding in the garden would be too restrictive for the area.

However, I have no objection to replacement of the existing garden shed with a new one.

Yours truly

29/07/15
