Your comments

I object to the application because of the following reasons. Because the property's weather ~~and~~ vane and clocks are historical, I would like to ask you not to replace them. Please find attached the picture. The picture was taken back in 1975, and the weather vane and clocks can be seen. In addition, my flat is right next to the proposed work venue. The noise from the construction may make it difficult to enjoy my home. It would be much appreciated if you would consider my comments.
