Subject: RE: 45 MARESFIELD GARDENS: Planning Application 2015/3636/P Retrospective application for the erection of a timber play structure in the rear garden.

Dear Mr Nelson

I object to the above planning application:

- a) The structure is too high and will enable persons on the upper part of the structure to overlook neighbouring properties.
- b) The fact that the structure has already been put up is yet a further example of the owners of this property ignoring planning control and subsequently seeking retrospective consent only when they are forced to do so.

Regards

Ian Green
