

EllisWilliams
Architects

For the attention of Kevin Murphy/Nick Collins

REF: EJM UK 43-45 Bedford Square

It is our proposal to use a retractable fabric awning with sympathetic white fabric and black coloured framing to complement the existing Mews building at 43-45 Bedford Square.

Please refer to “AG(0-)A10 – Proposed Elevations – Sheet 1” for the proposed canopy location.

The above is a photo of the proposed product – Markilux 990.
