#### **ANTIQUE LATE REGENCY ACANTHUS CORBEL MARBLE FIRE SURROUND**

An outstanding antique fire surround dating from the early nineteenth century. This antique marble surround dates from the late Regency to William IV periods. It features carved acanthus leaf corbels on each jamb, with reeded panels below and on the lintel, and a raised and fielded panel on the frieze below the substantial shelf. The fireplace surround is made from attractive antique marble with grey veins. Fireplace

## First Floor Formal Reception Room

### **SURROUND**

#### **Antique Georgian Statuary and Verde Marble Surround with Verde detail**

Fireplace Surround Dimensions: Shelf: 183cm x 19.5cm, Overall height: 132cm, Body width: 165cm, Leg width: 23.5cm, Opening: 117cm wide x 100cm high

An original Georgian fireplace surround in the lavish Neoclassical style. This antique Georgian fire surround is in statuary marble with beautiful verde marble inlay. The jambs feature an abundance of beautifully detailed bell flower pendants, finely carved along the columns and fluted capitals. Slips of rich verde marble surround the opening and are inlaid on the frieze to give the impression of fluting. There is a central plaque of two griffins flanking a classical style lute.

### **INSET**

#### **Antique regency grate with curved panels**

Large reeded hob-grate in the neoclassical style. The piece was carefully salvaged from No.2 St James' Market, in London's Haymarket.

## **Second Floor - Master Bedroom**
