Dear Sir/Madam,

I am writing in support of the planning application made for a Mosque located at Cherriton, 23-24 queens crescent, London NW5 4EZ.

As you are aware, we have large population of Muslims in Our local community and our Current mosque at Queens Crescent cannot accommodate all of them at prayer times .

This facility is very much needed for the local Muslim community and we feel the approval of the planning application will greatly benefit the community.

On Behalf of K.T.B.A. Mosque
