Dear Sir or Madam,

Regarding: Prayers to be allowed at Unit 23-24 Cheriton, Queen's Crescent, NW5

I have been consulted about the above proposal and would like to offer my support for the related planning application.

I live / work nearby so the centre is local to me.
(* please circle which one is true - or both if appropriate)

The centre has been there for some years and has never had any problems so I am happy to support the work they are doing. I do not use the centre but know that they will offer help if I need it.

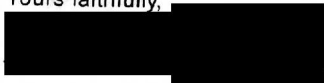

I believe they have been praying there for a number of years already. As they have no intention to increase the use I cannot see any reason to object.

I support their activities as they seem to be benefiting people and setting a good example to others.

The centre has kept the parade alive and away from drug users, alcohol and others that come ~~here~~ to cause nuisance and vandalise our properties.

They ^{are} law abiding ^{individuals} and in my opinion contribute positively to the community.

Yours faithfully,
