REVISED  
07.08.2015

48C

Faces of the retaining wall to the  
lightwell covered in white brickwork  
flush pointed in white cement & sand.

Terrace with planting pots formed to  
bottom of lightwell to allow sump  
location within lightwell for ease of  
access and more sanitary servicing.  
Note: No planting provisions for the  
lightwell were stipulated under the  
CSH.
