2015/3006/P	Ivan Djordjevic	1a ulysses road	05/08/2015 12:58:29	OBJ	<p>Dear, I write on behalf of myself and my partner.</p> <p>We are the owners/residents of flat 1A Ulysses road (1st floor, property attached to and north of the garages). We are against the proposed application for the following reasons:</p> <ul style="list-style-type: none"> - the building would significantly reduce the light in our bedroom, and also in the kitchen (though probably to a lesser extent) - the building would completely block the existing open view from the bedroom (south elevation of 1A Ulysses road) - possibility of overlooking into the bedroom, even from the proposed flat roof window - further loss of parking spaces <p>In addition, please refer to the prior refused application 2012/1256/P of 1B Ulysses Road and related application 2013/7627/P for reducing the height of the outbuilding, as an indication of what is deemed acceptable size of any new / freestanding building in the area.</p> <p>Kind regards.</p>
2015/3006/P	Suzanne van Beek	Flat B Ulysses Road West Hampstead London NW6 1ED	04/08/2015 12:58:34	OBJEMAIL	<p>My name is Suzanne van Beek and I have recently been bequeathed flat 1B ulysses road by my late uncle William M Smith, this is currently going through probate with solicitors David Clark & Co 38 Heath Street Hampstead.</p> <p>I wish to register that I strongly object to the planning application 2015/3006/P.</p> <p>The back of the garages currently forms an entire wall of my small garden and a two storey building will have an adverse affect on my privacy, plus will block out light. Should this proposal go ahead where once my view was tops of trees and open sky would now be probably 12 foot of oppressive brickwork, looming over my garden.and the entire rear portion of my flat.</p> <p>,I have no objection to your surveyor visiting the property. I live in France but an appointment can be made with my brother Ken Smith by telephone on the number listed below.</p>
