2015/3158/P	David Holme	4 The Mount Square London NW3 6SY	01/08/2015 15:30:23	OBJ	<p>We object to this application for the formation of a roof terrace at Heath Mansions. We do so for the following reasons:</p> <ol style="list-style-type: none">1. Overlooking. <p>This is a substantial roof terrace that would overlook a considerable number of properties and the loss of privacy would be very great.</p> <ol style="list-style-type: none">2. Noise Pollution <p>Such a large terrace would inevitably lead to parties in the summer and the noise pollution would be very great. There are a large number of families with small children in close proximity to this proposed development, who would be considerably impacted, particularly in the summer when temperatures mean that windows need to be left open, were this to be approved.</p> <p>Please refuse.</p>
