2015/3211/P	Roger Swallow	manna restaurant 4 Erskine Road Primrose Hill NW3 3AJ	11/08/2015 01:10:42	SUPPRT	<p>While I defer to Mr Phil Cowen's well-stated support for this proposal and his first 3 given reasons that allow the rebuilt facade to be fully acceptable to any aesthetic objections, I also strongly agree that any remedial efforts to restore parking, alleviate delivery disruption to the neighbourhood and accelerate completion date(s) will be most welcome.</p> <p>Sincerely, Roger Swallow manna restaurant 4 Erskine Road NW3 3AJ</p>
2015/3211/P	Antonia Calnan	Flat 3 23 King Henry's Road London NW3 3QP	02/08/2015 14:25:25	OBJ	<p>Planning permission was granted to the Erskine Road development on the basis that there would not be material change or disturbance to the facade / streetview of Erskine Road itself. Primrose Hill residents were under the impression that this type of demolition work would be contained to the old Tri Yoga / office buildings off the road. This is now no longer the case. The buildings on this side of the Erskine Road are all built in a period style and the demolition and rebuilding of the lodge would destroy their authenticity. Replacement materials will not suffice. The developers will need to find an alternative means of accessing the site which isn't so destructive. There has been quite enough demolition already!</p>
2015/3211/P	Conny Templeman	19A King Henry's Road	10/08/2015 15:24:03	COMMNT	<p>I OBJECT to this planning application. We have had enough environmental disruption, noise, dust and pollution.</p> <p>The Developers have been duplicitous in their introduction of new requests - always in the summer holiday when many people are away.</p> <p>We do not want to lose this lovely cottage. This is a conservation area.</p>
