2015/3571/P	Stuart Mills	13 Lyncroft Gardens	05/08/2015 20:25:05	SUPPRT	This development has our full support. The return to a single house provides much needed accommodation for families, reinforces the original purpose of the house and enhances the conservation values of the street. On a separate note, it is hoped the return of the garden to the care of single householder will ensure it is properly maintained, including the removal of unkempt trees (blocking light into adjoining properties), broken fences and overgrown planting (which provide a ready home to foxes).
