2015/3711/P	Nadine Hardeman	Flat A 20 Dartmouth Park Avenue London NW5 1JN	05/08/2015 22:33:29	OBJ	<p>I object to this planning application because:</p> <p>This will mean number 22 will come further out at the back than the houses next door. It will be out of character with the surrounding houses and we live in a conservation area.</p> <p>It will also make the entrance to our flat, which is down the alleyway to the side of number 22 very dark and the taller building will loom over the entrance to our flat making it feel oppressive. It's likely that the additional 2 stories will make our kitchen and our 2nd bedroom darker affecting the quality of our life.</p> <p>And finally I am concerned that it will reduce our privacy in the garden as we will be more overlooked than we currently are.</p>
2015/3711/P	Iain & Melinda Oswald	24 Dartmouth Park Avenue	31/07/2015 10:47:10	OBJ	<p>We are next door neighbours (24 Dartmouth Park Avenue). We object to the proposed addition of a further top storey to our neighbour's house at 22 Dartmouth Park Avenue. We feel it will make the house too tall.</p> <p>The reasons for our objection are two fold:</p> <ol style="list-style-type: none"> 1. The loss of light to our 2 top floor side windows. 2. The loss of the view towards London from these 2 top floor side windows that will be over-shadowed by the proposed additional storey.
