2015/3781/P	Mrs S Zamet	Flat 5 46 Elsworthy Road NW3 3BU	31/07/2015 18:25:35	OBJ	Whilst I have no objections to most of the further alterations in this application, I strongly disagree with the proposal to enlarge the existing dormer on the east elevation. This will adversely impact on the privacy and outlook of the side bedroom window on the second floor of 46 Elsworthy Road. Since the dormer appears to be opening to a void, I can see no logical reason to expand it.
