2015/3929/P	David Waldman	25 Inglewood Road NW6 1QT	10/08/2015 14:49:18	OBJ	<p>I wish to object this planning application for a large extension at the back of no.27 Inglewood Road on the ground,Ref 2015/3929/P.</p> <p>This is a conservation area and recently I objected to similar application to No.23 Inglewood Road. I also sent in a petition signed by many of the residents of Inglewood Road. At present there are no extensions in this road and this particular extension would cut out over 50% of daylight to the back of No.25 the house I live in.</p> <p>These are beautiful victorian houses with very large rooms and at least 4-5bedrooms. Why it is necessary to partly destroy the back of these beautiful victorian houses I do not understand.</p>
