| 2015/3981/P | James McGibney | Flat 7 53 Greencroft Gardens NW6 3LL | 08/08/2015 14:45:39 | OBJ | I worry that there will be extensive noise disturbance during the course of the work - particularly in the morning at weekend when we have a right to peace and quiet. Many people choose to live in the area because it is tranquil - this promises to cause disturbance. I also worry that the designs for the first storey will not be in keeping with the conservation area. How long will the work? Where can we see the designs? |
