2015/4088/T	Dave Whyte	Flat A 65 Bartholomew Road London NW5 2AH	10/08/2015 15:01:23	SUPPRT	I am a tenant in one of the flats at this address and fully support the application to remove the tree. It blocks out almost all sunlight from the garden and is too large and growing too close to the building with the real risk that it may start damaging the fabric of the building.  Please notify me of the committee date.
