2015/4255/T	Anna McCutcheon	26 Belsize Lane Flat 4 London NW3 5AB	04/08/2015 18:33:08	COMMNT	We would like to register our outright objection to the proposed tree removal which would devastate not only the view from the back of our building but would also destroy the serenity and environment of the surrounding area. The tree in question stands higher than our 4 story building and there is nothing that could replace its size, presence or privacy it offers. I would be shocked to think that English Heritage would allow such a thing. I would like to be advised of date for the committee meeting regarding this application. Thank you in advance. Anna McCutcheon
