2015/4258/P	Celia Taylor	78a Compayne Gardens West Hampstead London NW6 3RU	09/08/2015 11:06:54 INT		I live on the ground floor of 78 Compayne Gardens. I own my flat and the Freehold of the entire property. I strongly object to this plan, on the grounds that it will block a considerable amount of light from entering my kitchen and living room windows. The only windows in these rooms are on that side of the building, and both rooms are very dark even now. The building at 103 Priory Road is already much closer to 78 Compayne Gardens than it is to 105 Priory Road on the other side, and this 2 storey side extension will significantly overshadow my flat and the one above me on the first floor. I wish to be notified of the committee date.
