| 2015/4387/T | Richard Scrimgeour | 59 Goldhurst Terrace London NW6 3HB | 08/08/2015 00:12:30 | COMMNT | <p>It is not clear from this application what, if anything, is proposed to be done, other than (I would assume) removing a dead tree.</p> <p>How is it proposed that this removal be done?</p> <p>So, I have just three further questions:</p> <ul style="list-style-type: none">- Will it be replaced?- Which residents of 59 Goldhurst Terrace have access to any garden from where it was possible to view this tree, prior to its untimely demise?- If the tree is not removed, can we have a bonfire instead? <p>Best regards,</p> <p>Richard</p> |
