Your comments on the planning application

We have objected to the previous application on the grounds of noise levels, yet this revised application increases the numbers of condensers and shows them nearer to Firecrest Drive houses, currently a very quiet area so that the noise from the condensers will definitely mar our peaceful enjoyment of our home. We are also concerned about the basement excavation, and our privacy as the development overlooks the Firecrest Drive houses, and certainly the disruption to our quiet enjoyment with a 2 year building schedule. excavation. Please submit our objection to the application.
