| 2015/1899/P | Linus Rees | Fitzrovia Neighbourhood Association 39 Tottenham Street London W1T 4RX | 11/08/2015 13:46:02 | OBJ | <p>Our association objects to this application for retention of gates across the front doorway of this listed building.</p> <p>The installation of gates across this doorway is totally inappropriate for this fine example of a Georgian building. The doorway is an important visual aspect of the simple and uncluttered form of this house.</p> <p>We note that the heritage statement fails to make any justification on architectural or historic grounds to retain the ironwork.</p> <p>The application should be refused and enforcement action should be taken against the applicant for alterations to a listed building without consent of the planning authority.</p> |
