Subject: Planning Application 2015/3969/P

I am the owner of Flat 2 41 Lithos Road. I have just been advised by the owner of Flat 1 that a planning application has been made by the owner of Flat 3 for 4 roof lights. Please note that the planning process has not been followed as I have not received notification. I object to this application and wish you to extend the consultation period. Please confirm this will be done. I look forward to hearing from you.
