Your comments on the planning application

I strongly object to this application. At 32 Heath Drive we share the same building structure of that of 31 Heath Drive. I object because the proposed works will cause structural stability and subsidence issues in its twin listed building at 32 Heath Drive including foundation erosion and flooding problems
I Request a party wall agreement to be in place between 31 and 32 Heath Drive with at least a 50 year warranty against any insurance claims for subsidence
I request detail proposed construction methodology and strongly object on further increase of sound and light
