Your comments

Obviously as work has already begun you would have received a planning application quite some time ago.

As we as neighbours and people that strongly oppose the DEMOLITION of Denmark St we have commented many times to completely deaf ears.

Speaking as a musician and performer I couldn't think of anything worse than your plans for the most famous street in the world regarding the history of music.

Also there's really is no need for you to send me two copies of this form, and as you have NO intention of ever listening to any of our comments.

ITS A COMPLETE WASTE OF TIME, MONEY / PAPER

Please continue on extra sheets if you wish

Thanks for Nothing
