Dear Ian Gracie
Your ref 2015/4041/P

I am against the intended external wall insulation. I have sent email to Capital services.

Dear Mr J Rutter

I am Mr Gee Rode of 17 Dobson Close. I am strongly against the intended external wall insulation. I fail to see how this will benefit me as an individual or the block as a Whole.

Furthermore, the cost of £15,467.03 is outrageous. I believe you saw at the leaseholder meeting there was not one person who supported proposal you put forward.

Regards
Gee Rode
