

Planning application
Unit 23-24
Cheriton
Queens crescent
London
NW5 4EZ

Application reference
2015/4077/P

Camden council have received a planning permission application for the above property. They have sent out letters to local residents for them to comment about these works. Please do so if you have received these letters. The proposed work is to change the use from ground floor community centre and centre basement office to a place of worship.

This comes with a few negatives. For example the continuous noise and the lack of parking spaces. The litter left outside Cheriton. The meeting of lots of people on the pavements outside both Fordcombe and Cheriton. **If you are against the proposed work please sign, print and write your address below.**
