2015/3036/P	claire gasson	38 Arkwright Road	13/08/2015 10:24:54	OBJ	The current proposal seems little changed from the original. The lightwell is shorter but the increase in floorspace from the existing dwelling is still large and the additional inhabitants will put a strain on parking and other local resources. This proposal must be taken in the context of the application for removal of trees due to subsidence at no 6. (planning application for 8 Languard Gardens) Evidently new excavation where there is already subsidence is not clever. Secondly with three more trees lost this is a huge number of trees to loose in the back gardens of a conservation area.
