Your comments

We object to the plan to build to the full depth of the house over 3 floors.
The front of the new houses is very close to the dividing wall, which is of a height of around 6 metres.
The proposed plans will reduce in a dramatic way light and sun shine into the properties.
The proposed plans will also alter the feel and spirit of the old courtyard mess that was kept in the current way.
The plans will also make the place overbuilt and crowded.
We do not object to the plans to build over the single dwelling.
Yours Faithfully
A. ROSENBERG. [REDACTED]
