Dear Ms Hazelton,

Re: Planning Application 2015/4258/P - 103 Priory Road, NW6 3NN

I am the leaseholder of Flat 3, 78 Compayne Gardens NW6 8RU, which adjoins the above property. I have been made aware of the application made by Inge Pretorious to build a first floor extension to the property adjacent to my flat which I believe will almost completely block natural light from my kitchen. I am also concerned about the aspect of the compromising of privacy in my flat. In your consideration of this application, which deftly avoids the fact that the two properties are much closer together than properties in Priory Road because our property is not in Priory Road, I strong urge you to protect my need for unrestricted natural light and privacy in my flat. I assume that if this proposed development were to have negative consequences upon light and privacy in my property, you would act in my interests and refuse the application. Please inform me what your findings are in respect of these issues.

Yours sincerely

Davide Lewis
