I am strongly opposed to the planned extension to the adjacent property. Our flat will be directly affected by the work. The neighbourhood is very quiet and this is why we choose to live here.

I completely understand the personal desire to improve one's home, and if sufficient noise controls can be put in place and promised, then I will support this application.

We work normal working hours, and if work could take place only on work days (mon-Fri) I would not object.
