### Comments Form

Name..... MALCOLM GLIKSTEN

Address..... 133-135 PANCRAS ROAD LONDON NW1 1UN

Email address..... [REDACTED]

Telephone number..... [REDACTED]

Planning application number..... 2015/3632/P

Planning application address..... Re: 133 Pancras Rd London NW1 1UN

I support the application (please state reasons below)   
I object to the application (please state reasons below)

Your comments

I obviously support this application since it is to be sited on the front of my premises.  
If there was any problem with the antenna being sited on the brickwork of the wall, there would be an alternative already discussed with SITEC/CTIL to attach to the large wooden signboard which is already on the front of the shop.  
The antenna will greatly improve the signal for mobile phone users in the local area.

Please continue on extra sheets if you wish
