Email address. Telephone number. Planning application number. 2015/4030/P. Planning application address. Martimer Estate. I support the application (please state reasons below) I object to the application (please state reasons below) Your comments Jhave Staken to hesidence of Carlton House WW witch lead Cfeedding Done & Years age this is what say, It has no henefits what so ever it dose not lower bills. It causes internal damp Problems and mould on walls and So we will have to use even more heat. It will make our huildings look disty han down and very shaby in a very short stace of time. We do not want something inflicted whom us witch is going to have we are the ones who has to look at it.	١	Jame ANNE CAHILL	
Planning application number. 2015/4030/P. Planning application address. Martimer Estate I support the application (please state reasons below) I object to the application (please state reasons below) Your comments I have staken to residence of Contran House WWI witch had Cladding Dane 4 years age this is whatsay It has no benefits what so even it dose not lower bills. It causes internal damp humblens and mould on walls and so we will have to use even more heat. It will make our buildings look dirty run down and very shaby in a very short shae of time. We do not want something inflicted upon us witch is going to run our nice Brick work we live here we are the ones who has to look at it.	Δ	Address 11 REMSTED HOUSE NWG SUT
