

Technical drawing of a door with dimensions and labels. The drawing shows a front view of a door with a central vertical panel and two side panels. The overall height is 2000 and the width is 150. The central panel has a height of 114 and a width of 99. The side panels have a height of 101 and a width of 99. The door is labeled with 'AR 04' and 'PM 02'. The text 'Brassware by CL' is also present. The drawing includes a red dashed line indicating the center of the door.

Technical drawing of a door assembly (DOOR - D 05) showing a front elevation with dimensions and callouts.

**Dimensions:**

- Overall height: 2000
- Overall width: 150
- Top panel height: 101
- Upper panel height: 996
- Lower panel height: 444
- Bottom panel height: 230
- Left panel width: 120
- Inner panel width: 310
- Right panel width: 120
- Inner panel width: 310
- Right panel width: 120
- Distance from top to upper panel: 150
- Distance from upper panel to lower panel: 219
- Distance from lower panel to bottom: 230

**Callouts:**

- AR 04 (Top panel)
- AR 04 (Left panel)
- PM 04 (Upper panel)
- Brassware by CL (Handle)

The drawing includes a red dashed vertical line indicating the center of the door. The door is shown with a multi-panel design, including a top panel, upper panels, lower panels, and a bottom panel. The handle is located on the left panel.

The image contains architectural drawings of a three-story building. On the left is a side elevation showing a red-hatched second floor. On the right is a front elevation showing a red-hatched roofline. To the right of these drawings is a black and white photograph of the interior of the firm's office. A man in a suit is standing at a desk, looking at a large architectural drawing. The desk is cluttered with books, papers, and a lamp. A bookshelf filled with books is visible in the background.
