Your comments on the planning application

I strongly oppose the installation of 6 x multiband antennas enclosed within 3x replica chimney stacks to the plant room and 4x radio equipment cabinet on the roof because of the suspected risk of harm to the public and environment. World Health Organization studies have shown that children exposed to cell tower radiation have experienced severe health effects including increases in rates of asthma, autism, ADHD and other ailments. Adults can and do experience EMF sensitivity, the effects of which can include dizziness, migraine headaches, heart palpitations and nosebleeds. Given the suspected risk of harm to the public and
