Dear Jonathan,

Re: Application 2015/3316/P - 44-44A Gloucester Avenue, London, NW1 8JD - Discharge of condition 1 (ground investigation) of Planning Permission ref: 2015/0462/P

I have thoroughly reviewed information provided by Geotechnical & Environmental Associates in "Desk Study and Basement Impact Assessment" report ref: J14367 and can confirm that the information is sufficient and adequate for the purpose of discharging condition 1 in full.

Kind Regards,

Weronika
