Dear Jonathan,

I wish to file an OBJECTION to application 2015/4456/P concerning the former Admiral Mann PH, at 9 Hargrave Place, London N7.

The pub is an historic community hub which has functioned as a focal point for the local area since the late 1800s. Indeed, it has been recognised as such and declared an asset of community value. With that in mind, the prospect of a known property developer & 'pub conversion specialist' gradually eroding the viability of the business is extremely concerning.

The disappearance of the Admiral Mann would be a grave loss to the area, and another step forward in the dire homogenisation of Camden. To that end I urge the Council to REFUSE consent to application 2015/4456/P.

Best,
Daniel Eilenberg
