Dear Ms English

I have just reviewed Oliver Froment's email to you of 20 August. I too trust that the above application will be rejected as it suffers from the same issues as did the earlier applications for the same property as has been covered in detail by Mr Froment.

I live at 11 Pilgrim's Lane, opposite Mr Froment. My house too would suffer from the proposed development in terms of the effect of water diversion and the impact of such a major development in a narrow street. However its effect on the conservation area is a major issue.

The application should therefore be turned down.
