2015/2921/P	Leyla Saadi	4 Hartland Road NW1 8DA	24/08/2015 16:23:53	COMMNT	I feel very let down by the Council for selling this small plot of land for development as it is immediately on the other side of our small gardens. I do understand development will proceed in one form or another but think 3 houses is too many for such a small area and I am unhappy that the proposed houses will deprive us of light as our house is end of terrace and has the larger shop buildings from Chalk Farm Road immediately to the right of our house.
