2015/4456/P	C Cryne	10 sneyd road	23/08/2015 15:14:00	OBJ	The proposed changes threaten the opportunity to make this a viable pub. It is clear that the proposals are aimed to make the pub non viable and therefore likely to close in the future thus stopping the community having a valuable community asset.
2015/4456/P	Paul Shearsmith	54 Falkland Road NW5 2XA London	23/08/2015 15:22:09	OBJ	I would like to object to this proposal.
2015/4456/P	Matt Fazal	109b Kentish Town Road Camden London NW1 8PB	24/08/2015 00:08:35	OBJ	I object this planning as I believe it will jeopardise the future of the pub

London NS 1XH 9 Hargrave Place, London N7. I believe Josh Moore's planning application to turn this building of proud standing and long, storied history to be disrespectful to its status as a Hentage Asset, historie Victorian local landmark and Ar of Community Value. The Admiral Mann has long been a fulcrum of life in the local community, its customer base spann old and young and people of all races and valls of life in this incredibly diverse and densely population. The Admiral Mann has long been a fulcrum of life in the local community, its customer base spann old and young and people of all races and valls of life in the local community because contrary to the belief of people such as Mr. Moore, communities if we are to maintain a healthy sen society and collectivism, particularly in our largest crites. Prior to Mr Moore's company's acquisition, the Admiral Mann was a successfully operating, profit-making licensed premises for over 140 years. It has provided a safe, friendly and welcoming trace do noth London. Use that a socialize for hundreds of local people syntaming numerous generations throughout this time, both on a day basis and in the organistion and facilitation of essential event such as Wedding and Funeral gatherings as well as entertainment including, but not limited to, competitive dars competitions, quiz nights, St. Patrick's and St. George's day celebrations and Christmas opening. The effect these community provisions can have on providing people with a sense of shared identit and belonging is incalculable and the loss of this has, and will continue to be, profoundly felt unles Moore's a variations and loading og some way to reversing the alarming trand generified white-washing that is currently threatening the cultural livelihood of our great city. My recommendation is that applica	Application No:	
I believe clock Moore's planning application to turn this building of proud standing and long, storic history to be disrespectful to its status as a Heritage Asset, historie Victorian local landmark and As of Community Value. The Admiral Mann bas long been a fulcrum of life in the local community, its customer base spann old and young and people oil an case and walks of Tife in this incredibly diverse and densely popular area of north London. It is a building purpose built to serve the community, because contrary to the belief of people such as Mr Moore, communities need amenities if we are to maintain a healthy sen society and collectivism, particularly in our largest cities. Prior to Mr Moore's company's acquisition, the Admiral Mann was a successfull operating, profit-making licensed premises for over 140 years. Thesp provided a safe, friendly and velooming place to congregate and socialise for hundreds of local people symming numerous generations throughout this time, both on a daily basis and in the organisation and facilitation or essential event such as Wedding and Funeral gatherings as well as entertainment including, but not limited to, competitive darts competitions, quiz nights, St. Patrick's and St. George's day celebrations and Christmas opening. The effect these community provisions can have on providing people with a sense of shared identit and belonging is incalculable and the loss of this has, and will continue to be, profoundly felt unles Moore's avaricious, and I helieve, misleading application is rejected. 1 sinceret plope powershe for mannet between a differe or mannet bistorical relevance affortuce ommunity good the price of a few gaudy modern flats and in doing so go some way to reversing the alarming trend gentified white-washing flat is currently threatening the calcuran livelibnoid of our great city. <t< td=""><td rowspan="7">2015/4456/P</td><td>former Admiral Mann PH, at</td></t<>	2015/4456/P	former Admiral Mann PH, at
