2015/4077/P	Rita Wytock	15 Halstow Queens Crescent kentish town london nw54eh	25/08/2015 20:39:25	OBJ	I totally object to this place of worship in a quiet residential block on our estate, The noise levels are bad with large groups of men gathering around the estate, As a women I find this intimidating not to mention the difficulty it is to park as it is.
2015/4077/P	No Gatherings	CHERITON	25/08/2015 11:16:12	OBJ	DONT KNOW WHY ANYONE ELSE WHO IS NOT LIVING ON THE ESTATE SHOULD GET A SAY!! They do not have to live there. ONLY CHERITON, FORDCOMBE, SOUTHFLEET, HALSTOW AND MAYBE LENHAM (as lenham is far away from the site) SHOULD BE THE ONLY PEOPLE WHO GET A SAY!!!!!!!!!!!!!! To which the pretty much every tenant has GONE AGAINST IT! No more needs to be done or said! Its been rejected by the whole estate and neighbourhood. Dont know why we have to be stressed out and stress ourselves even more about this! I believe that if 10 or more tenants WHO LIVE on the estate object to it then it should be declined. Simple as that!!!!!!!!!! We just dont want gatherings of people, its nothing to do with who or what it is, it will gather alot of people to our estate and we do not want that.
