

**Health, Safety and Environmental Method Statement**

Contractor: O'Hare McGovern Ltd  
 Contract Name: West Hampstead Square  
 Scope of Works: Installation of Site Perimeter Hoarding  
 Ref: WHS/LUL/TW/001 rev – 29<sup>th</sup> Jan 2014

Reviewed & Accepted by London Underground Infrastructure Protection Engineer:  
 Gary Harthill

Signed: 

Dated: 12th February 2014

The approval given by London Underground Limited is solely referable to any impact of the Method Statement on the railway and for no other purpose and no liability is implied or given in giving such approval for any deficiency or inadequacy in the detail approved in respect of matters outside such railway interests.

The responsibility for the health, safety and environmental aspects of the contract works rests fully and unreservedly with the Contractor.

The acceptance of this method statement by London Underground Limited and involvement in environmental/safety studies or audits, does not in any way absolve the Contractor from that responsibility nor is it intended to confirm or suggest that the Contractor fully meets the statutory requirements.
