Your comments on the planning application

Camden People's Theatre (CPT) is a revenue-funded National Portfolio Organisation that has been receiving funding from Arts Council England for many years. We regard the organisation as strategically significant for its unique role in developing artists and arts organisations; particularly by supporting experimental and cutting-edge artistic practice. Some of this has been made possible through the innovative use of the small but intimate space at CPT. We have some concern that insufficient consideration has been given to sound-proofing in the proposed scheme as it is our view that robust sound insulation in both

directions is critical for CPT to be able carry out its operations effectively and successfully. This will also be critical for the wellbeing of the residential occupants. We would suggest that consultation with a theatre acoustics specialist is necessary to ensure proposed measures are sufficiently robust.
