Dear Ms English

Planning applications 2015/4179/P and 2015/4157P. The above applications have been brought to my attention although I have not received any communication about them from your office. This is surprising as I received a letter of August 13 informing of a public local inquiry relating to an appeal over application 2012/8025/P concerning the same property.

I wish to object as I believe all the planning applications regarding this property should be dealt with at the same time and many of the objections that I made to the earlier application still apply. I support the detailed objection put forward by Oliver Froment of 10 Pilgrims Lane

Yours Sincerely  
Michael Lewis
