2015/4590/P	Antony Bailiwick	13 Cannon Place	29/08/2015 09:26:23	OBJ	<p>This proposal would further deteriorate the street view down Cannon Place and would add nothing to the conservation area.</p> <p>This house has already marred the view with it's unsightly mansard roof and this addition will be very visible from the street.</p> <p>I vehemently object to this planning application allowing a further botching of this historic building.</p>
