2015/4564/P	A Alura	212 Camden Road Camden Town London NW1 9HG	31/08/2015 20:04:08	OBJ	<p>I object to the demolition of the mews house which is in keeping with the other buildings. A three storey building and roof will dwarf the buildings around it, thus blocking out light. The proximity to other properties, such as 210 and 212 Camden Road will mean windows looking directly into their dwellings.</p> <p>This is not an extension to an existing building, this is an architectural project by the architects who own the property. I am sure the market value of the new property will far exceed costs for a healthy profit. Unfortunately, we, the local residents will have to live with the noise and disruption for a long time, before having light and privacy changed forever.</p>
