2015/4386/P	James Hay	3 Fairfax Place London	29/08/2015 10:35:17	OBJ	I object to this development on the grounds of being overlooked from the terrace which is not screened on the south facing elevation. As Coalyard Mews behind numbers 1 to 9 Fairfax Place has restrictions placed upon it re overlooking us how can this development be granted permission to overlook us?
