2015/3940/P	Mr. Shonu Das	113a Greencroft Gardens West Hampstead London NW6 3PE	30/08/2015 11:18:52	OBJ	I believe that a number of anticipated problems arise. Rooftop parties create noise, rubbish (paper,cigarettes) and overlook our otherwise quiet gardens. If a precedent is set then there would be constant development in a 'developing'/developers area and issues would arise as to liability for roof damage and leaks.
2015/3940/P	Clair Constable	68 Compayne Gardens NW6 3RY	29/08/2015 16:59:39	SUPPEMAI L	I fully support planning application 2015/3940/P at Flat D, 103 Greencroft Gardens, London, NW6 3PE. My rational is that outside play space is sorely lacking in our immediate neighbourhood and is particularly necessary for this party given their children. Furthermore, the design submitted will in no way change the character and beauty of their building. Please support this application.
