2015/4284/P	Professor Mary Wood	262H Finchley Road London NW3 7AA	01/09/2015 16:34:12	COMMEMP ER	My main objection is that access to the proposed loft conversion will result in an ugly and unbalanced appearance of the house, for what seems very little additional space and, if this is intended for servant's quarters, then accommodation would be quite claustrophobic.
